About Meyers Nave: Meyers Nave is celebrating more than 30 years of great clients, dedicated employees and precedent-setting legal work. We are proud of the differences that we make in the communities where we live and work. From one office with five attorneys, we have expanded throughout California to nearly 70 attorneys advising on 20 complex fields of law. Amidst our continuing growth, the essence of what differentiates us remains unchanged – we treat work colleagues as friends and clients as family.
