DIVERSITY FELLOWSHIP PROGRAM FOR 1L

“ My summer experience exceeded all my expectations! From day one, I felt like I was part of a team. I worked on substantive assignments from a variety of cases, learned new areas of law, and had the opportunity to observe strategy meetings, depositions, and hearings. The program’s high level of training and support shows the firm’s commitment to turning summer associates into associates.

“ In the context of Diversity, Equity, and Inclusion, many are passionate about the cause and many are passionate about the credit—few are passionate about the work. Meyers Nave is passionate about the work.
